

# Recycling Tips of New Taipei City

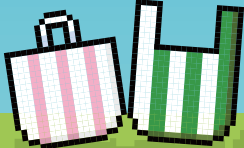

## New Taipei City Recycling Tips

START

### Clean Earth

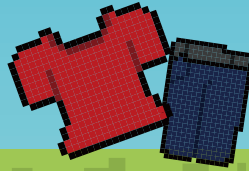

#### Clean Plastic Bag

Single plastic shopping bags type No. 1 to 6 and packaging bags (\*exclude composite material) (\*should be recycled separately, violators are subject to fines\*)

#### Old Clothes

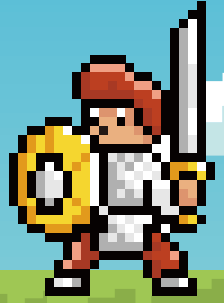

Clean and wearable clothes

#### Plastic Foam

Styrofoam for Packaging

Clean and free of stains, and should be (\*recycled separately, violators are subject to fines\*)

#### Metal Containers

Empty and easy to clean, the other high pressure containers and flammable materials should be (\*recycled separately, violators are subject to fines\*)

- ⊗ fire extinguisher
- ⊗ gas tank

#### Glass containers

After emptying and cleaning, (\*recycle it separately, violators are subject to fines\*)

#### Paper Containers

Empty, clean, flatten and then recycle it separately.

#### Plastic Containers

Empty all plastic containers type No. 1 to 6 for easy cleaning, then recycle with lids

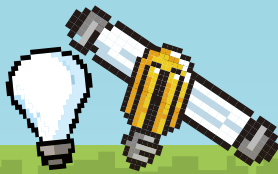

### Container Castle

### Power Jungle

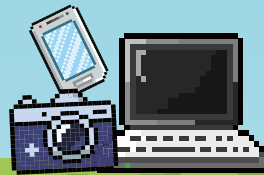

#### Lighting

After being package with the fragile and anti-breakage materials, (\*recycle it separately, violators are subject to fines\*)

#### Telecommunication Devices

Hazardous metals must be properly recycled.

#### Dry Battery

For items that are easy to spontaneous combustion, please (\*recycle it separately, violators are subject to fines\*)

#### Electronic Appliances

Large electronic appliances should be recycled by the dealers.

### Classification Plain

#### Other Plastics

Plastic materials from 1 to 6 can be recycled as well as flat packaging materials (e.g. flat containers, plastic liners, plastic blisters)

#### Waste Cooking Oil

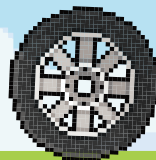

Recycled in containers

#### Tires

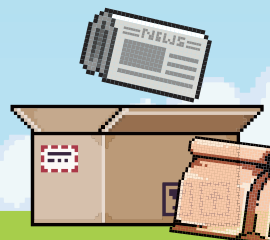

Recycled in batches

- ⊗ Solid Tire
- ⊗ Car Tire

#### Paper

Should be recycled separately from paper containers

When households produce large quantities of recyclables, the community should cooperate with the cleaning team's instructions to dispose of them in batches or by appointment, so as not to affect the rights of other citizens to deliver their recyclables.

New Taipei Recycling Information

Failure to separate recyclables or hand them over to the cleaning team's collection trucks without using bags and boxes with identifiable contents will result in a fine of NT\$1,200 to NT\$6,000 in accordance with the Waste Disposal Act.
